Dear

The Big Foot Little Chiefs Youth Basketball Club is dedicated to teaching the fundamentals of basketball and displaying good sportsmanship while promoting a competitive atmosphere. Participants gain valuable experience playing basketball against opponents that they would not typically compete against until high school. The Big Foot Little Chiefs is a fourth through eighth grade traveling basketball club. Any fourth through eighth grade boy or girl living in the Big Foot High School District is eligible to participate in Little Chiefs.

Big Foot Little Chiefs Youth Basketball Club is looking for businesses to donate funds. We welcome any dollar amount donation. The Little Chiefs will send businesses that donate \$250 or more a tax receipt. Funds raised through this event will offset the costs of the program including: scholarship grants for families in need, and tournament fees.
